society ECG conference & workshop**

1 DAY CONFERENCE:

TIME :

9 am to 2pm ECG conference

3pm to 8 pm X Ray conference

VENUE:

@ chennai & Pondicherry

CONFERENCE FEATURES ON ECG

9-10am: lecture basics of electrocardiography, calibration, rate, rhythm, axis assesment

11am -12 noon- lecture on conduction abnormalities (AV blocks & various types) identifying hypertrophies (atrial & ventricular)

12-12.30 pm- Diagnosing Myocardial infarction at different regions of left ventricle and other few left out topics like dextrocardia & digoxin toxicity etc.

12.30-1.30pm-test on topics covered

1.30-2.00 test slides discussion & certificate distrubution

Our Objectives;

We have scheduled the Conference in such a way that doctors get theory & practical knowledge of what they desire to learn

We want to fulfill the Dream of busy practitioners, who wish to learn ECG & unfortunately could not pursue due to time constraints.

this 1 day conference is unimaginable, unbelievable, but fortunate, that ABRB MEDICODENTAL ACADEMY has come out with a one stop solution for ECG/XRAY Challenges through this conference and workshop

ADVANTAGES OF THE COURSE:

- 1.Any emergencies can be handled instead of waiting for a Cardiologist to come and give the diagnosis**
- 2.Equipping ourselves with ECG knowledge is something great , especially in a medical profession**
- 3.It has lots of societal benefits too -service to humanity**
- 4.Right from day one after attending the conference, we assure you to start reading ECG with confidence at your place.**

NOTE:

**THERE IS NO SUCH TYPE OF CONFERENCE OCCURING
REGULARLY FOR ECG IN INDIA**

**OUR ABRB ACADEMY TAKES THE PRIVILEGE OF CONDUCTING
THIS ECG/XRAY CONFERENCE EVERY WEEK IN DIFFERENT
STATES OF SOUTH INDIA**

UNIQUENESS OF OUR CONFERENCE:
