Our recent innovations:

we have come out with a unique conference on x ray Chest for a busy Practitioners like general Physician (M.D.,) Anaesthetists, Cardiologist, Surgeons & all other specialists

we have designed an innovative workshop, first time ever in India, for the benefit of doctors society

1 day X RAY chest Conference & Workshop

1 DAY WORKSHOP:

TIME : 3 pm to 7 pm

VENUE: @ Chennai & Pondy cherry

DAY:

Saturdays-evening

1 DAY WORKSHOP FEATURES ON X RAY:

3am-4pm:

lecture on skull xray reading normal skull,paranasal sinuses

4am -5 pm:

Chest xray normal reading & how to find out all abnormalities ?

5-6pm:

Peripheral x rays normal reading

6-7pm:

Test on taught topics and discussion,certificate distribution

Our Objectives;

We have scheduled the conference in such a way that doctors get theory & practical knowledge of what they desire to learn

We want to fulfill the Dream of busy practitioners, who wish to learn x rays & unfortunately could not pursue due to time constraints.

this 1 day conference is unimaginable, unbelievable, but fortunate, that our Medico Dental academy has come out with a one stop solution for x ray challenges

ADVANTAGES OF THE CONFERENCE

- 1.Any emergencies can be handled instead of waiting for radiologist to come and give the diagnosis**
- 2.Equipping ourselves with one new field is something great ,especially in a medical profession**
- 3.It has lots of societal benefits too -service to humanity**
- 4.Right from day one after attending this workshop, we affirm that one can read all x rays with confidence at your place.**
