**Dr. Prem M.D.R.D., Consultant Radiologist, Lecturer ABRB
ACADEMY**

Dr.Arul M.D.R.D., CONSULTANT RADIOLOGIST....

**PRIME INFERTILITY CENTRE, AISHWARYA INFERTILITY
CENTRE, BALAJI HOSPITALS**

Our recent innovations:

we have come out with a unique pattern of giving ultrasound presentation through online we have designed an innovative online program, first time ever in India, for the benefit of Sonologists Obstetric & gynecologist & Radiologists society

ULTRASOUND ABDOMEN COVERS THE FOLLOWING

TOPICS:

liver

gb

spleen

pancreas

kidneys

uterus

ovaries

bladder

prostate

gastrointestinal usg

which includes coaching

normal structures & pathologies related

Our Objectives;

We have scheduled the online course in such a way that doctors get theory & practical knowledge (visual) of what they desire to learn

ADVANTAGES OF THE PROGRAM

Equipping and gaining knowledge about this field is something great ,especially in a medical profession

NOTE:

First time ever in India we have come out with a refresher course on ultrasound abdomen, specially for those who are practising ultrasound, can do this online course and gain more and more knowledge about ultrasound and apply the same with the patient

REGISTRATION FEE:

2000/- + gst

It is a knowledge gaining course

No certification
